The Main Campus Institutional Review Board has reviewed and approved the above referenced protocol. It has been approved based on the review of the following:

1. Addition of Interview Protocol for Educators submitted 5/20/2011;
2. Addition of Interview and Focus Group Consent for Educators v5/20/2011.

Consent Decision:

Amended consent(s) attached.~No changes.

If a consent is required, we have attached a date stamped consent that must be used for consenting participants during the above noted approval period.

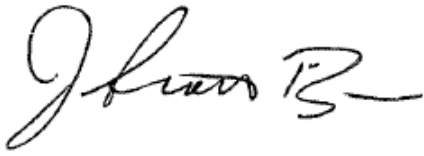

If HIPAA authorization is required, the HIPAA authorization version noted above should be signed in conjunction with the consent form.

As the principal investigator of this study, you assume the following responsibilities:

- **CONSENT:** To ensure that ethical and legal informed consent has been obtained from all research participants.
- **RENEWAL:** To submit a progress report to the IRB at least 30 days prior to the end of the approval period in order for this study to be considered for continuation.
- **ADVERSE EVENTS:** To report any adverse events or reactions to the IRB immediately.
- **MODIFICATIONS:** To submit any changes to the protocol, such as procedures, consent/assent forms, addition of subjects, or study design to the IRB as an Amendment for review and approval.
- **COMPLETION:** To close your study when the study is concluded and all data has been de-identified (with no link to identifiers) by submitting a Closure Report.

Please reference the protocol number and study title in all documents and correspondence related to this protocol.

Sincerely,
